## Vice Chancellor *Message*

It gives me immense pleasure to announce that Madan Mohan Malaviya University of Technology (MMMUT) is commencing the admission process for its undergraduate programmes (B.Tech., B.Pharm., and BBA) for the academic year 2026–2027.

With a distinguished legacy of over 64 years, MMMUT has consistently upheld excellence in education, research, and technological advancement. Today, the University stands proud as a NAAC ‘A’ Grade institution and has earned notable recognition in national and international rankings, including National Institutional Ranking Framework (NIRF), QS World University Rankings, and Times Higher Education World University Rankings.

At MMMUT, our vision is to foster innovation, research, and academic excellence in Science, Technology, and Management education. Our curriculum, aligned with the progressive framework of the National Education Policy 2020 (NEP-2020), offers flexibility through a Choice Based Credit System, multiple entry and exit options, and opportunities for minor and micro specializations, ensuring that students are well-prepared for both industry and higher studies.

We are committed to nurturing young minds into competent professionals, visionary leaders, and responsible citizens. Our state-of-the-art laboratories, modern infrastructure, vibrant campus life, and diverse extracurricular activities provide a holistic learning environment. The University’s well-established Incubation Cell promotes innovation and entrepreneurship, while the dedicated Training and Placement Cell ensures strong industry interaction and excellent placement opportunities.

The consistent presence of reputed recruiters and our encouraging placement records reflect the quality education and comprehensive grooming imparted at MMMUT. Our focus remains on equipping students with the knowledge, skills, and values necessary to meet emerging global challenges.

I assure you that becoming a part of the MMMUT community will be a transformative step towards a successful academic and professional future. I hope this undergraduate admission brochure provides you with all the necessary information regarding the admission process and academic framework.

I extend my best wishes to all aspiring candidates and invite you to join us in this journey of excellence at MMMUT.

**(Prof. Anupama Kaushik Sharma)**

# 1 ABOUT THE UNIVERSITY

Madan Mohan Malaviya University of Technology (MMMUT), Gorakhpur has been established in year 2013 by the Government of Uttar Pradesh as a non-affiliating, teaching, and research University after reconstituting the Madan Mohan Malaviya Engineering College, Gorakhpur which was established in 1962.

Sixty batches of engineering students have passed out after four years of rigorous education under the tutelage of some of the most venerable teachers, engineers ready to face the world and create new worlds.

64 Glorious Years

### Step-2: Verify APAAR Id

The candidate is required to verify the APAAR ID for academic identity authentication. The system validates the APAAR ID through the integrated verification mechanism. Upon successful verification, candidate details linked with the APAAR account will be automatically fetched to ensure authenticity of records.

### Step-3: Filling of Information

The Candidate is required to fill basic details i.e. category, sub-category etc. as displayed in application form. Information provided by NTA will be final.

- Note :**
- For category and sub-category definitions please refer Reservation Criteria section (7.3)
  - It is solely the responsibility of the candidates to verify that their personal data, including category, sub-category and gender etc. are consistent with the information provided in the JEE Main-2026 application form. MMMUT is not responsible for any omissions in the details and its consequences thereafter.
  - If the personal data of the candidate is found incorrect at the time of document verification or at any later stage, the allotment of seat/ admission is liable to be cancelled.

### Step-4: Documents Uploading

The candidate uploads the required scanned documents like Photo, Signature, Category, Sub-Category, Parent's Domicile, Parent's Income Certificate as applicable in the prescribed format and size. The uploaded documents are used for verification during the admission and counselling process. If the uploaded document is unclear, blurred, partially visible, or unreadable, the uploaded document will be rejected during verification phase. It is the responsibility of candidate to upload proper and clear documents.

### Step-5: Preview Details and Submit

The candidate reviews all entered information and uploaded documents before final submission. A preview page displays complete application details for verification. After ensuring correctness, the candidate submits the application form. **Once submitted, it cannot change at later stages.**

### Step-6: Apply for Programme/Course

The candidate selects the **Bachelor of Technology (B.Tech.)** from the list of available programmes offered by university. Programme eligibility conditions are displayed to help candidates make informed selections.

### Step-7: Select Mode of Counselling

The candidate selects the counselling mode as JEE Mains for admission to B.Tech First Year Programme in university.

### Step-8: Fill Academic Details

The candidate enters educational qualifications details including High School and Intermediate details to check the eligibility rules by system.

### Step-9: Upload Educational Certificates and Mark Sheets

The candidate uploads academic documents for verification purposes such as High School Certificate and Intermediate Mark Sheet. All uploaded documents must be clear and legible for successful verification.

### Step-10: Payment of Counselling Fee

The candidate must pay the counselling Fee of **Rs. 2500/-** (non- refundable) using online payment gateway to complete the Application Form.

### Step-11: Document Verification

All the relevant and original documents will be verified within the stipulated time through online mode. Candidates are required to keep one set of self-attested copies of required documents. The documents of candidates will be verified and will be asked to re-upload the documents in case of any discrepancy within stipulated time. The candidate is required to be attentive and regularly visit the counselling portal throughout documents verification period to upload required documents in case of discrepancy. It is the responsibility of the candidate to visit the counselling portal and be informed about his/her document verification status failing which University will not be responsible for any loss due to lack of communication. If the document of candidates is not successfully verified within stipulated time, he/she will not be eligible to fill/lock choices and seat allotment. The candidature of such candidate shall not be considered in any subsequent round of seat allotment except spot counselling. After successful verification, the candidates become eligible for choice filling, choice locking and seat allotment.

### Step-12: Choice Filling

After successful verification of documents, the candidates are required to fill the choices in order of his/her preferences available as per his/her applied course for admission.

### Step-13: Choice Locking

Once the choices are filled-in, the candidate is required to check the order of preference of choices thoroughly and if any alterations in the order of preference are required, rearrange them. Once the order of preference of choices is final, the candidate can lock the choices by clicking the submit button. Thereafter the candidate will receive an OTP on his/her registered email or mobile number which should be used for locking the choices finally.

After the choices are locked, candidates will not be able to change their choices under any circumstances. Candidates must take a printout (hard copy) of printable document for his/her future references.

Registered candidates who do not fill any choices will not be considered for seat allotment. His/her registration fee will also not be refunded. The registered candidates who have filled the choices but forgot to lock these choices, their filled choices will be considered automatically locked upon expiry of the registration & choice filling process and the seat allotment shall be made based on these choices.

**Note:** Please note that the choices (order of preference), once submitted and locked, are not allowed to be altered/modified under any circumstances. All rounds of allotment will use this locked choice for seat allotment.

### Step-14: Seat Allotment

The final locked choices of the candidates would be processed centrally, and the result of seat allotment will be displayed on counselling portal after login.

### Step-15: Willingness to FREEZE or FLOAT

After seat allotment the candidate must give his/her willingness to FREEZE or FLOAT the allotted seat before paying the Seat Acceptance/ Confirmation fee through counselling portal otherwise his/her allotted seat will be cancelled, the candidate will not be able to participate in further round of seat allotment. The candidate can also freeze his/her allotted seat at later stage also after satisfactory allotment.

### Step-16: Deposition of Seat Acceptance/Confirmation Fee

- ⌘ The candidate is required to take the printout of the provisional allotment letter from their login, in case of seat allotment. There is no provision of sending allotment letter individually to the candidate by post.
- ⌘ Candidates are required to pay Complete /Acceptance/Confirmation fee, as notify later on university website, online using the payment gateway services within the stipulated time mentioned in the allotment letter, failing

which the provisional admission offered to the candidate will be cancelled and the offered seat will be allotted to another candidate as per the merit. The candidature of such candidate shall not be considered in any subsequent round of seat allotment except spot counselling.

### Step 17: Deposition of remaining University Fee

Candidates are required to deposit remaining university fee (if any) after deducting confirmation fee at the time of registration/reporting for academic session 2026-27.

### Step 18: Physical Document Verification at University

After provisional admission, all the relevant and original documents will be verified at the time of physical reporting at university along with one set of self-attested copy of required documents, failing which the provisional admission offered will be cancelled and University fee will be forfeited.

### 3.6. COUNSELLING PROCEDURE FOR B.TECH. SECOND YEAR (LATERAL ENTRY)

The candidates are required to read the following steps of online counselling carefully before proceeding for online registration followed by online choice filling etc.

#### Step-1: Online Registration

All the candidates who have qualified CUET(UG)-2026/CUET(PG)-2026 and fulfilling criteria as mentioned in section (3.2) can register for counselling by filling personal information through website “<https://mmmutadm.samarth.edu.in/2026/index.php>” by creating password through registration link and then log in using user-id/password to proceed for **Step-2**.

#### Step-2: Verify APAAR Id

The candidate is required to verify the APAAR ID for academic identity authentication. The system validates the APAAR ID through the integrated verification mechanism. Upon successful verification, candidate details linked with the APAAR account will be automatically fetched to ensure authenticity of records.

#### Step-3: Filling of Information

The Candidate is required to fill basic details i.e. category, sub-category etc. as displayed in application form. Information provided by NTA will be final.

- Note :**
- ⦿ For category and sub-category definitions please refer Reservation Criteria section (7.3)
  - ⦿ It is solely the responsibility of the candidates to verify that their personal data, including category, sub-category and gender etc. are consistent with the information provided in the CUET(UG)-2026/CUET(PG)-2026 application form. MMMUT is not responsible for any omissions in the details and its consequences thereafter.
  - ⦿ If the personal data of the candidate is found incorrect at the time of document verification or at any later stage, the allotment of seat/ admission is liable to be cancelled.

#### Step-4: Documents Uploading

The candidate uploads the required scanned documents like Photo, Signature, Category, Sub-Category, Parent’s Domicile, Parent’s Income Certificate as applicable in the prescribed format and size. The uploaded documents are used for verification during the admission and counselling process. If the uploaded document is unclear, blurred, partially visible, or unreadable, the uploaded document will be rejected during verification phase. It is the responsibility of candidate to upload proper and clear documents.

#### Step-5: Preview Details and Submit

The candidate reviews all entered information and uploaded documents before final submission. A preview page displays complete application details for verification. After ensuring correctness, the candidate submits the application form. **Once submitted, it cannot change at later stages.**

#### Step-6: Apply for Programme/Course

The candidate selects the **Bachelor of Technology (B.Tech.)-Lateral** from the list of available programmes offered by university. Programme eligibility conditions are displayed to help candidates make informed selections.

64 Glorious Years

### **Step-7: Select Mode of Counselling**

The candidate selects the counselling mode as CUET(UG)-2026/CUET(PG)-2026 for admission to B.Tech Second Year (Lateral) Programme in university.

### **Step-8: Fill Academic Details**

The candidate enters educational qualifications details including High School and Diploma details to check the eligibility rules by system.

### 6.6. COUNSELLING PROCEDURE FOR B.B.A. FIRST YEAR

The candidates are required to read the following steps of online counselling carefully before proceeding for online registration followed by online choice filling etc.

#### Step-1: Online Registration

All candidates, qualified in CUET(UG) -2026 fulfilling the eligibility criteria as mentioned in section 6.2 are eligible to apply online for admission through website “<https://mmmutadm.samarth.edu.in/2026/index.php>” by creating password through registration link and then log in using user- id/password to proceed for **Step-2**.

### Step-2: Verify APAAR Id

The candidate is required to verify the APAAR ID for academic identity authentication. The system validates the APAAR ID through the integrated verification mechanism. Upon successful verification, candidate details linked with the APAAR account will be automatically fetched to ensure authenticity of records

### Step-3: Filling of Information

The Candidate is required to fill basic details i.e. category, sub-category etc. as displayed in application form. Information provided by NTA will be final.

- Note :**
- ◉ For category and sub-category definitions please refer Reservation Criteria section (7.3)
  - ◉ It is solely the responsibility of the candidates to verify that their personal data, including category, sub-category and gender etc. are consistent with the information provided in the CUET(UG) -2026 application form. MMMUT is not responsible for any omissions in the details and its consequences thereafter.
  - ◉ If the personal data of the candidate is found incorrect at the time of document verification or at any later stage, the allotment of seat/ admission is liable to be cancelled.

### Step-4: Documents Uploading

The candidate uploads the required scanned documents like Photo, Signature, Category, Sub-Category, Parent's Domicile, Parent's Income Certificate as applicable in the prescribed format and size. The uploaded documents are used for verification during the admission and counselling process. If the uploaded document is unclear, blurred, partially visible, or unreadable, the uploaded document will be rejected during verification phase. It is the responsibility of candidate to upload proper and clear documents.

### Step-5: Preview Details and Submit

The candidate reviews all entered information and uploaded documents before final submission. A preview page displays complete application details for verification. After ensuring correctness, the candidate submits the application form. **Once submitted, it cannot be changed at later stages.**

### Step-6: Apply for Programme/Course

The candidate selects the **Bachelor of Business Administration (B.B.A.)** from the list of available programmes offered by university. Programme eligibility conditions are displayed to help candidates make informed selections.

### Step-7: Select Mode of Counselling

The candidate selects the counselling mode as CUET(UG)-2026 for admission to B.B.A. First Year Programme in university.

### Step-8: Fill Academic Details

The candidate enters educational qualifications details including High School and Intermediate details to check the eligibility rules.

### Step-9: Upload Educational Certificates and Mark Sheets

The candidate uploads academic documents for verification purposes such as High School Certificate and Intermediate Mark Sheet. All uploaded documents must be clear and legible for successful verification.

### Step-10: Payment of Counselling Fee

The candidate must pay the counselling Fee of **Rs. 2500/-** (non- refundable) using online payment gateway to complete the Application Form.

### Step-11: Document Verification

All the relevant and original documents will be verified within the stipulated time through online mode. Candidates are required to keep one set of self-attested copies of required documents. The documents of candidates will be verified and will be asked to re-upload the documents in case of any discrepancy within stipulated time. The candidate is required to be attentive and regularly visit the counselling portal throughout documents verification period to upload required documents in case of discrepancy. It is the responsibility of the candidate to visit the counselling portal and be informed about his/her document verification status failing which University will not be

responsible for any loss due to lack of communication. If the document of candidates is not successfully verified within stipulated time, he/she will not be eligible to fill/lock choices and seat allotment. The candidature of such candidate shall not be considered in any subsequent round of seat allotment except spot counselling. After successful verification, the candidates become eligible for choice filling, choice locking and seat allotment.

### Step-12: Choice Filling

After successful uploading of documents, the candidates are required to fill the choices in order of his/her preference available as per his/her applied course for admission.

### Step-13: Choice Locking

Once the choices are filled-in, the candidate is required to check the order of preference of choices thoroughly and if any alterations in the order of preference are required, rearrange them. Once the order of preference of choices is final, the candidate can lock the choices by clicking the submit button. Thereafter the candidate will receive an OTP on his/her registered email or mobile number which should be used for locking the choices finally. After the choices are locked, candidates will not be able to change their choices under any circumstances. Candidates must take a printout (hard copy) of printable document for his/her future references.

Registered candidates who do not fill any choices will not be considered for seat allotment. His/her registration fee will also not be refunded. The registered candidates who have filled the choices but forgot to lock these choices, their filled choices will be considered automatically locked upon expiry of the registration & choice filling process and the seat allotment shall be made based on these choices.

**Note:** Please note that the choices (order of preference), once submitted and locked, are not allowed to be altered/modified under any circumstances. All rounds of allotment will use this locked choice for seat allotment.

### Step-14: Seat Allotment

The final locked choices of the candidates would be processed centrally, and the result of seat allotment will be uploaded on the University Website : [www.mmmut.ac.in](http://www.mmmut.ac.in).

### Step-15: Willingness to FREEZE or FLOAT

After seat allotment the candidate must give his/her willingness to FREEZE or FLOAT the allotted seat before paying the Seat Acceptance/ Confirmation fee through counselling portal otherwise his/her allotted seat will be cancelled, the candidate will not be able to participate in further round of seat allotment. The candidate can also freeze his/her allotted seat at later stage also after satisfactory allotment.

The candidature of such candidate shall not be considered in any subsequent round of seat allotment except spot counselling.

### Step 17: Deposition of remaining University Fee

Candidates are required to deposit remaining university fee (if any) after deducting confirmation fee at the time of registration/reporting for academic session 2026-27.

### Step 18: Physical Document Verification at University

After provisional admission, all the relevant and original documents will be verified at the time of physical reporting at university along with one set of self-attested copy of required documents, failing which the provisional admission offered will be cancelled and University fee will be forfeited.

## 6.7. MERIT LIST PREPARATION RULES

**For admission in B.B.A. first year following test papers will be considered for the preparation of Merit List**

- a. Any One Paper from Domain Category ((301) to (326))
- b. General Aptitude Test (501)

The Merit list will be prepared by adding the normalized score obtained by candidates in prescribed test papers.

### Tie Breaking in case of Equal Normalized Score

If there is a tie in the total normalized score of two or more candidates, the order of merit for such candidates shall be decided in the following order:

1. Rank determination by normalized score obtained in **General Aptitude Test** in CUET(UG)-2026. Candidates obtaining higher normalized score will be given a better rank.
2. Rank determination by **age of the candidate**. If one candidate is older than another, then the older candidate will have a better rank compared to the younger candidate.
3. Rank determination by **CUET(UG)-2026 Application Number** provided to candidates. Candidate having lesser Application Number will have a better rank compared to higher Application Number.

### 6.8. OTHER IMPORTANT INSTRUCTIONS

- (i) The candidate must himself/herself ensure his/her eligibility to appear in the CUET(UG)-2026. If a candidate who is not eligible to appear in the examination, does so; he/she will not have any claim whatsoever, for admission to any program through entrance test.

## 8 ACADEMIC DEPARTMENTS

### 8.1. DEPARTMENT OF CIVIL ENGINEERING

The Civil Engineering Department established in 1962, in Madan Mohan Malaviya University of Technology, Gorakhpur, is one of the oldest departments of the University, working since its inception. The department has, over the years, established its status as a centre for imparting high-quality technical education to undergraduate and post-graduate students and extending consultancy services to industries and various government departments located in the Eastern U. P. Besides the undergraduate course of B. Tech. (Civil Engineering), the department offers three regular P. G. courses viz. M. Tech. in Seismic Design and Earthquake Engineering and, M. Tech. in Structural Engineering and M. Tech. in Environmental Engineering. The facilities for doctoral research are also available in

the department.

The department has experienced and highly qualified faculty members. The department capitalizes on its well-qualified and dedicated faculty, which is clambering for achieving excellence. Further, the strength of the department also lies in the strong linkages, it has with its alumni and various government/private organizations located in the region. The alumni of the department are well placed in various govt. / private organizations and are in close contact with the department. The department has been continuously interacting with various government and private organizations in the form of consultancy works, expert advice, design projects, etc.

With the strength of faculty, the department has the potential to raise the standards of technical education to any desired level, if infrastructural facilities are augmented. Needless to mention, the university itself is located in the underdeveloped region of eastern U.P., which is both flood and drought-prone and lacks industrial development. These special needs of this under-developed region can only be tackled by us, because of our understanding of the local conditions. The department has following full-fledged laboratories equipped with internet facility through LAN.

- ✂ Geotechnical Engineering Lab
- ✂ Environmental and PHE Lab
- ✂ Highway Engineering Lab
- ✂ Survey Lab
- ✂ Hydraulics & Water Resources Engineering Lab
- ✂ Concrete Lab
- ✂ Structure Lab
- ✂ Civil Engineering Computational Lab
- ✂ Engineering Geology Lab

## 8.2. DEPARTMENT OF ELECTRICAL ENGINEERING

The Department of Electrical Engineering at Madan Mohan Malaviya University of Technology (MMMUT), Gorakhpur, established in 1962, has built a distinguished legacy in delivering high-quality technical education across undergraduate, postgraduate, and doctoral levels. In addition to its academic excellence, the department offers consultancy services to industries and government organizations across Eastern Uttar Pradesh and beyond, reinforcing its commitment to societal and industrial development.

The department offers two regular M.Tech. programs—Power Electronics & Drives and Control & Instrumentation—along with a Ph.D. program in Electrical Engineering. It is currently undertaking several AICTE-sponsored research projects that contribute to innovation and advancements in key areas of electrical engineering.

The department consistently promotes academic excellence, research, and innovation. Regular organization of seminars, workshops, and training programs fosters an enriched academic environment and strengthens industry-academia collaboration, offering students a blend of theoretical knowledge and practical exposure. Supported by a team of experienced faculty members and state-of-the-art laboratories are:

- ⌘ Electrical Machines & Electrical Workshop Lab
- ⌘ Computer/Research Lab
- ⌘ Power System Lab
- ⌘ Circuit Lab
- ⌘ Instrumentation Lab
- ⌘ Drives Lab
- ⌘ Centre of Excellence in Electrical Testing and Energy Systems Reliability
- ⌘ Switchgear and Protection Lab
- ⌘ Control System Lab
- ⌘ Network Lab
- ⌘ Electrical Measurement Lab
- ⌘ Power Electronics Lab
- ⌘ Non-Conventional Energy Resource Lab

Faculty members have made notable contributions to academic literature during the 2023–24 and 2024–25 sessions through the authorship of several books and book chapters, focusing on contemporary topics such as electric vehicles, power filters, microgrid stability, fuzzy controllers, and solar inverters. Over the past three years, the department has produced 53 research papers and 34 international conference papers published in reputed national and international journals and proceedings.

During the academic session 2023–24, the department actively engaged in industrial consultancy assignments with organizations such as UPPTCL, PWD, and UP Jal Nigam, providing expert solutions in power systems, infrastructure development, and electric vehicle technology. Furthermore, the department secured funding from premier agencies like MeitY, UPCST, and AICTE for sponsored research projects in domains such as agrivoltaics, electric mobility, and intelligent microgrid systems.

The Department also fosters a vibrant technical culture through its active professional societies and student chapters, such as the IEEE Student Branch, which play a pivotal role in promoting co-curricular engagement, technical skill development, innovation, and leadership among students.

### 8.3. DEPARTMENT OF MECHANICAL ENGINEERING

The Department of Mechanical Engineering, established in 1962, has been consistently delivering quality education in the field of Mechanical Engineering through its undergraduate programme. In addition to the B.Tech. programme, the department offers postgraduate programmes, including an M.Tech. in Energy Technology and Management (since 2013) and an M.Tech. in CAD/CAM and Robotics (introduced from A.Y 2026-27). The department also conducts a Ph.D. programme through a structured entrance examination process. The department is supported by a team of highly qualified faculty members and skilled technical staff, ensuring a strong academic and research environment.

The Department has established a strong reputation for maintaining high standards in technical education and research. Its alumni occupy prominent positions in government, semi-government, and private sector organizations, both nationally and internationally, reflecting the department's academic excellence and professional impact. To promote holistic development, the department provides an active platform through the SAE Collegiate Club (MMMUT Chapter) and ASME Student Section enabling students to participate in state- and national-level technical events, thereby enhancing their extracurricular competencies alongside academic learning. The department

is committed to continuous improvement of its infrastructure, with laboratories being regularly upgraded to support advanced teaching, research, and development activities. Recently, several modern and essential pieces of equipment have been incorporated to strengthen experimental and research capabilities. The department houses several well-established laboratories, all equipped with internet facilities to support contemporary academic and research needs.

#### 8.4. DEPARTMENT OF ELECTRONICS & COMMUNICATION ENGINEERING

The Department of Electronics & Communication Engineering was established in the year 1973 with an intake of 20 and gradually increased to 75 from the academic session 2000-2001 and 120 from the academic session 2015-2016. The Department has made all-round progress in the last four decades because of firm determination and continuous efforts made by all the faculty members and staff of the department.

The Department offers full time M.Tech. in “Nanoelectronics and VLSI” and “Wireless and Optical Communication” respectively with an intake of 23 and 22 students in respective specialization. The Department of Electronics and Communication Engineering has incessantly maintained an excellent academic record. The appreciable virtue of the department is its vibrant learning circumstances where all the students and faculty members nourish the spirit of innovation, creativity and contribute productively to the evolution of technology. The department has excellent lab resources which are being enhanced from time to time and impart sufficient opportunities for the students to grasp and innovate. Students are motivated to take part in several activities like paper presentation, technical quiz, project design, project contest and cultural activities. Students are encouraged to go through in-plant training and various industrial visits are scheduled each year to get industry exposure.

The Department also offers regular Ph.D. program through QIP & TEQIP/University schemes. To enhance the knowledge of students and fulfil the gap among the academia and industries, the Department has recently established the Center of Excellence (CoE) Lab by the Texas Instruments under the Texas Instruments University Program, IoT & Embedded System Project Lab and Artificial & Drone Design Project Lab.

The Department has always been on a progressive path, thanks to the experienced and dedicated faculty members who have a strong commitment towards providing quality engineering education and research. The Department has 24 Regular faculties, 06 contract faculties and 01 Adjunct faculty.

##### The Department offers:

- ✂ B.Tech in ECE (Started in 1973)
- ✂ B.Tech in ECE (IoT,) (Started in 2023)
- ✂ M.Tech (VLSI), M.Tech (Communication Systems) and M.Tech. (Avionics)
- ✂ Doctoral programs in Electronics and Communication Engineering

##### Major Research area of the Department:

- ✂ Optics & Photonics
- ✂ Photovoltaics and Solar cells
- ✂ VLSI Design
- ✂ Nanoelectronics
- ✂ IoT and Wireless Communication

### 8.5. DEPARTMENT OF COMPUTER SCIENCE & ENGINEERING

The Department of Computer Science & Engineering (CSED) at Madan Mohan Malaviya University of Technology (MMMUT), Gorakhpur, is committed to excellence in teaching, research, innovation, and professional development. The department focuses on producing competent computer science professionals equipped with strong theoretical foundations, practical skills, and research-oriented thinking, aligned with rapidly emerging technological advancements and industry requirements. The department offers comprehensive academic programmes at multiple levels to address modern technological and research demands. It offers a B.Tech in Computer Science & Engineering, an M.Tech in Computer Science & Engineering with specializations in Artificial Intelligence, Cyber Forensics, and Spatial Information Technology, and a Doctoral (Ph.D.) Programme in Computer Science & Engineering that promotes advanced research, innovation, and interdisciplinary learning.

The department demonstrated strong research productivity during the reporting period with 30 international journal publications and 30 conference publications. Faculty members also contributed to innovation through 13 patents filed/published and 21 books, book chapters, and monographs. Additionally, 34 faculty members served as reviewers or editors for reputed refereed journals and academic publications, reflecting active participation in the global research community.

The department has significantly strengthened research infrastructure through the development of advanced laboratories, including the Artificial Intelligence Centre, Advanced Cyber Forensics Research Lab, Spatial Information Technology & Digital Twin Lab, Augmented Reality & Virtual Reality Lab, Computer Vision Lab, Integrated Big Data & IoT Lab, and the Multidisciplinary Innovation & Edge Deployment Lab, supporting interdisciplinary research and innovation-driven learning.

The department has the following full-fledged laboratories equipped with modern computing resources and high-speed internet facilities to support teaching, practical learning, and advanced research activities:

## 8.6. DEPARTMENT OF CHEMICAL ENGINEERING

The Department of Chemical Engineering was started in the year 2016 with 60 undergraduate students in the B. Tech. Chemical Engineering programme and M.Tech. Chemical Engineering Program is 18. The postgraduate Programmes of M.Tech., in Chemical Engineering and Ph.D. was started in year 2024 and 2018 respectively. The department is well equipped with good undergraduate laboratories and research laboratories that have been upgraded. In line of vision of MMM University of Technology, the Department's goal is to offer students with a balanced set of academic and practical skills that will enable them to serve both the global chemical industry and societal requirements. Many funded research projects have been completed, and a few are now underway, with funding from prestigious organizations such as the Department of Science and Technology (SERB) and the Council of Science and Technology, Uttar Pradesh (UP-CST) in a variety of research areas. We are putting our efforts to provide students with an overall educational experience that will enable them to be successful professional chemical engineers capable of lifelong learning and furthering their studies. The department is planning to start center of excellence in frontiers in the area of sustainable development. The programmes offered by the department are:

S.No.	Program	Year	Intake
1	B.Tech. (Chemical Engineering)	2016	60
2	M.Tech. (Chemical Engineering)	2024	18
3	Ph.D. (Chemical Engineering)	2018	—

## 8.7. DEPARTMENT OF INFORMATION TECHNOLOGY AND COMPUTER APPLICATION

The Department of Information Technology and Computer Application (ITCA) was formally inaugurated on 24 August 2018 by the Hon'ble Chancellor of Uttar Pradesh, Shri Ram Naik, in the esteemed presence of the Hon'ble Vice-Chancellor of Madan Mohan Malaviya University of Technology (MMMUT), Gorakhpur. The department commenced its academic activities on 25 August 2018 with postgraduate programme in Master of Computer Applications (MCA) and M.Tech in Information Technology, along with a Doctoral (Ph.D) programme. Subsequently, an undergraduate programme, B.Tech. in Information Technology, was introduced in the academic session 2019–2020.

The department aspires to attain national and international prominence through excellence in teaching, research, and innovation. It is supported by a team of highly qualified, dedicated, and motivated faculty members who are committed to nurture the students and research scholars into competent IT professionals and accomplished researchers. The department also takes pride in its distinguished alumni, who are contributing significantly to reputed organizations in India and abroad.

### Academic Programme

The department offers a comprehensive range of undergraduate, postgraduate, and doctoral programme designed in accordance with contemporary academic and industry requirements.

### Undergraduate Programme

- ⌘ **B.Tech. in Information Technology**

### Postgraduate Programme

- ⌘ **Master of Computer Applications (MCA)**
- ⌘ **M.Tech. in Information Technology**

### Doctoral Programme

- ⌘ **Ph.D. in Information Technology and allied areas**

The curricula across all programme are regularly revised and updated to reflect rapid advancements in technology, ensuring alignment with industry demands and academic standards. The postgraduate programme follow a Choice Based Credit System, enabling students to pursue interdisciplinary learning by selecting courses within and beyond the department. The courses are designed to incorporate advanced and research-oriented topics, fostering analytical thinking and innovation.

### Research Areas

The department actively promotes high-quality research across a broad spectrum of cutting-edge domains, broadly categorized as follows:

#### IoT and Network Security

- ⌘ Internet of Things (IoT)
- ⌘ Information Security and Cyber Laws
- ⌘ Blockchain and Cryptocurrency
- ⌘ Big Data Technologies and Analytics

#### Artificial Intelligence and Machine Learning

## 8.8. DEPARTMENT OF MANAGEMENT STUDIES

The Department of Management Studies was established in year 2001. The main objective of the department is to impart academic programs in the field of management studies, and act as a centre of excellence in the field of management practices and applications in addressing the challenges of the emerging global business environment, society, and industries.

The department offers UG, PG and Ph.D. programmes in management studies. A 4-year UG programme namely the Bachelor of Business Administration (BBA) with the major and minor specializations is being run by the department. A 2-year PG programme namely the Master of Business Administration (MBA) with dual specializations in Marketing, Finance, Human Resource, Operation Management, Information Technology, Entrepreneurship, and International Business is being run since the inception of this department. Also, the department is imparting the Doctoral degree programme namely the Doctor of Philosophy (Ph.D.) in Management Studies with the major specializations in research areas of Marketing, Finance, Human Resource, Operation Management, Information Technology, and Entrepreneurship Development, and other relevant and the emerging fields.

The department had national MOU with IIM Indore, and international MOU (University of Wisconsin- USA). Currently two students' societies are existing in the aegis of department namely ESHAN and Finance Club.

The department regularly organises the various expert lectures by international and national renowned experts from the academic institutions and the industries on the relevant topics. And the department organises the various co-curricular activities through its finance club for the overall development of management skills being inculcated in the students.

Presently, the department is having 01 Professor working as the Head of Department of Management Studies supporting from the Department of Electrical Engineering, 13 Assistant Professors, 01 Professor of Practice supporting from industry, and 04 Guest Faculties are doing the academic activities of the department. The certain faculties of other departments of university also supports the various academic and other activities of the department.

### State-of-Art Facilities in the Department:

- ⌘ **MSD Computer Lab:** The computer lab is equipped with 40 PCs of i7 processors and latest software for analytical studies for various project and research work by management students.
- ⌘ **Smart Classrooms:** The department is having exclusively three lecture halls equipped with latest interactive panel for better experience in teaching learning process. In addition to that the smart classrooms equipped with latest interactive panels located in the central lecture hall complexes of the university are also being utilized for the students of the department.
- ⌘ **Smart Seminar Hall:** The department is having exclusive one seminar hall equipped with latest interactive panel for better experience in teaching-learning process. The seminar hall is utilized for various activities such as seminar, conference and expert lecture.
- ⌘ **Conference Hall:** The department is having a well-furnished conference hall being utilized for the various departmental meetings, project examinations, and other academic activities.
- ⌘ **Departmental Library:** The department is having its own departmental library containing the reference books, research projects, seminar reports and magazines etc. for easy access to students and engage in learning activities.

### 8.9. DEPARTMENT OF MATHEMATICS AND SCIENTIFIC COMPUTING

The Department of Mathematics and Scientific Computing attained its present status of an independent department on 22nd June 2019. Prior to this department was constituent part of Applied Science Department, established in 1962. The courses offered by the department are:

- ⌘ **M.Sc. Mathematics (Specialization in Computing)**
- ⌘ **Ph.D. in Mathematics**

Besides this, department also offer various courses of Mathematics to Undergraduate and Postgraduate students of different Engineering, Science and management Departments of the university. The faculty members of the department have expertise across areas of both pure and applied mathematics with major research area such as Modern Algebra, Ring Theory, Operations Research, Inventory Control, Graph Theory, Numerical Analysis, Differential Equations, Special Functions, Fluid Dynamic, Fluid Mechanics, Water Waves, Cryptography, Fuzzy Reliability Theory and Mathematical Modelling.

#### Advanced Computational Laboratory

##### Salient Features:

1. Our computational lab is well equipped with 20 desktop computers (8th gen Core i7 and Core 2 Quad processor).
2. All the PCs are supported by advanced configurations and latest software of Maple, Latex, Mathematica, MATLAB etc.

### 8.10. DEPARTMENT OF PHYSICS AND MATERIAL SCIENCE

The Department of Physics and Material Science has been started in 2019, inaugurated by Shri Yogi Adityanath Ji Mahraj, Hon'ble Chief minister of Uttar Pradesh. Earlier it was the constituent part of Department of Applied Sciences which was established in 1962 since inception of then Madan Mohan Malaviya Engineering College Gorakhpur. The objective of the present department is to impart teaching and promote the implementation of practical aspects related to the Physics and Material Science to build a solid foundation as part of the Engineering Education. Apart from this, the department is also dedicated for the promotion of science education in higher studies through the post graduate course in physics running in the department. The Department also promotes teaching and research in new and emerging areas and encourages the academic interaction of the faculty members and students for research and development at national and international levels.

#### Courses (Degree) offered by Department:

Following courses are offered by the department of Physics and Material Science

1. M.Sc. in Physics with specialization in electronics from the session 2018-19
2. Ph.D. in Physics since inception of university erstwhile Engineering College from 1962

The Department has well equipped laboratories for undergraduate, post graduate students and research scholars pursuing their Ph.D. degree. The department is backed by well-educated, talented and dedicated faculty members to fulfil the objectives of the department. The Department has following laboratories with internet facilities:

- ⌘ Physics Laboratory
- ⌘ Electronic Devices and Circuit Laboratory
- ⌘ Condensed Matter Physics Laboratory
- ⌘ Spectroscopy and Laser Laboratory
- ⌘ Analog and Digital Communication Laboratory
- ⌘ Optoelectronics and Optical Communication Laboratory
- ⌘ Microprocessor Laboratory
- ⌘ Photonic and Photovoltaic Research Laboratory
- ⌘ Computational Condensed Matter Physics Research Laboratory
- ⌘ Nano Fluid Research Laboratory

### 8.11. DEPARTMENT OF CHEMISTRY & ENVIRONMENTAL SCIENCE

Department of Chemistry & Environmental Science is the new emerging academic department of MMMUT, Gorakhpur. The department was established on June 22, 2019 and inaugurated by Goraksha Pithadish Param Pujya Sri Yogi Adityanath Ji Maharaj, the Honourable Chief Minister of Uttar Pradesh under the visionary leadership of renowned academician and technocrat Professor Sri Niwas Singh, Hon'ble Vice Chancellor of Madan Mohan Malaviya University of Technology, Gorakhpur. The Department is committed to fostering a respectful workplace culture and strives to cultivate a safe, inclusive and fair environment where staff, faculty, researchers and students can thrive as they advance new chemical frontiers through research, innovation, collaboration and scholarship.

As the nascent upcoming department, the pivotal focus is to cater to the academic and research requirements of the budding engineers and basic science researchers. It's vision is to become a leading university department by conducting quality research in the area of Chemical Science and Environmental Science and offer solutions to the problems organic, inorganic, physical, industrial, analytical chemistry and also solving ecological, environmental problems under the guidance of highly qualified academic team. Apart from imparting quality education to various graduation courses, the department offers Ph. D. in Chemistry as well.

The Department of Chemistry & Environmental Science provides a unique focus for addressing some of today's most pressing environmental and chemical problems. Additional opportunities for joint research are available with our colleagues at the premier Indian Institute of Department of Chemistry, Indian Institute of Technology, New Delhi, as well as International Institute at the Korea Research Institute of Chemical Technology, South Korea. The department's research is supported by grants and contracts from government sources, with principal strengths in the areas of polymeric materials, artificial photosynthesis, molecular modeling and environmental analysis. The department has following full-fledged laboratories equipped with internet facility.

- ⌘ B.Tech. Lab.
- ⌘ M.Sc. Lab. I & II
- ⌘ Polymer Lab.
- ⌘ Artificial Photosynthesis Lab
- ⌘ Speciality Polymers Lab.
- ⌘ Instrumental Lab.

## 8.12. DEPARTMENT OF HUMANITIES AND SOCIAL SCIENCE

Department of Humanities & Social Sciences, Madan Mohan Malaviya University of Technology, Gorakhpur was established on 23.03.2023. The department aspires to achieve excellence in the various domains and subdomains of humanities and social sciences by offering academic services, nascent knowledge initiatives, pivotal courses and programs in the areas of Humanities and Social Sciences. The department has a pool of experienced and dedicated faculty members who have a strong commitment towards providing quality education and navel academic research in various areas of Humanities & Social Sciences. The Department has 06 faculty members, 01 Associate Professor, 05 Assistant Professors, and 08 Guest Faculties. Besides, the Department has 04 Research cum Teaching Fellows (RCTF, full-time research scholars) and 05 Research Scholars in Self-Financed or Part-time as well. In a space guided by highly competent faculty, the department moves forward with a quiet yet determined passion to foster excellence, constantly opening new vistas across the many domains of Humanities and Social Sciences. It nurtures not just knowledge but the ability to apply it, shaping individuals into industry-ready talents who can navigate both local and global landscapes with confidence. Alongside academic rigor, there is a conscious effort to cultivate professional strength, interpersonal sensitivity, and entrepreneurial spirit among graduates, postgraduates, and doctoral scholars. Yet, beyond all achievement, the department remains deeply rooted in the belief that education must serve a higher purpose—ensuring that its philanthropic essence continues to guide every learner toward meaningful and humane contributions. The Department has following air-conditioned laboratories with high-speed internet access and software for English language training:

- ⌘ Language Lab I
- ⌘ Language Lab II

### 8.13. DEPARTMENT OF PHARMACEUTICAL SCIENCE & TECHNOLOGY

The Department of Pharmaceutical Science and Technology was established in the academic session 2021–22 with an initial intake of 60 students for the Bachelor of Pharmacy (B.Pharm.) program. The department is dedicated to advancing pharmaceutical education and research, with a vision to emerge as a centre of excellence that nurtures competent, globally competitive professionals with promising careers.

In the academic year 2024–25, the department expanded its academic portfolio by introducing a Ph.D. program in Pharmaceutical Sciences, further strengthening its commitment to advanced research, innovation, and academic excellence. The department currently offers undergraduate, postgraduate, and doctoral programs. The B.Pharm. and M.Pharm. programs offered by the department are duly approved by the Pharmacy Council of India, in accordance with its prescribed norms and regulations. The Pharmacy programs are designed to impart strong theoretical foundations along with practical skills, enabling students to serve effectively in the pharmaceutical industry and healthcare sector. Emphasis is placed on patient-centric care, rational drug use, and professional ethics. The department provides a conducive learning environment supported by well-equipped laboratories, modern classrooms, and seminar facilities to promote high-quality teaching, learning, and research.

#### Programs Offered:

- ⌘ **B.Pharm.** – Intake: 100 students
- ⌘ **M.Pharm. (Pharmaceutics)** – Intake: 15 students
- ⌘ **M.Pharm. (Pharmaceutical Chemistry)** – Intake: 15 students
- ⌘ **Doctor of Philosophy (Ph.D.) in Pharmaceutical Sciences**

#### Areas of Research:

- ⌘ Novel drug delivery systems (NDDS) and targeted drug delivery
- ⌘ Nanotechnology and nanomedicine
- ⌘ Pharmaceutical formulation and development
- ⌘ Pharmacokinetics and biopharmaceutics
- ⌘ Medicinal chemistry and drug design
- ⌘ Herbal drug technology and phytopharmaceuticals

## 9 CENTRAL FACILITIES

### 9.1. INFORMATION TECHNOLOGY RESOURCES CENTRE (ITRC)

Information Technology Resource Centre (ITRC) was established in 2005 under world bank programme (TEQIP-I) and is unique of its kind among all state engineering universities/colleges of U.P. The objective of the center is to provide the central computing resources under one roof to students, faculty and staff with a vision to support and strengthen the teaching-learning process and research. The local area network spread in almost entire campus is being managed from this center. It remains open for 24 hours and is equipped with advanced computer

networking hardware and software tools. Having around 300 computers arranged in its different labs, it provides uninterrupted high speed internet connectivity to the entire campus with leased line connection of 10 Gbps (1:1) from National Knowledge Network grid.

#### Facilities available at/through ITRC

- ⌘ 228 no. of computers and 8 no. of high-end servers (5 HP and 3 Blade).
- ⌘ Power backup with 2 no. of 20 KVA UPS, 6 no. of 10 KVA UPS, 2 no. of 5 KVA UPS.
- ⌘ Various design and training software tools for students and faculty members.
- ⌘ Manages 5 conference halls- Aryabhata Hall, J. C. Bose Hall, Golden Jubilee Hall, VC Conference hall and Meeting Hall in VC secretariat with advanced audio-video setups.
- ⌘ Three design labs with advanced software/hardware computing resources to cater to the needs of PG and Research students having total 70 computers.
- ⌘ Three general computing labs with 100 no. of computers for UG students.
- ⌘ One digital library exclusively for online study with 30 computers.
- ⌘ Provides internet connectivity through OFC (of about 20 kms) to academic buildings, hostels and faculty/staff residences thus covering almost entire campus.
- ⌘ Provides additional Wi-Fi connectivity in all major university buildings and their surroundings.
- ⌘ Provides connectivity to Biometric attendance devices installed in various departments and sections for online attendance.
- ⌘ Manages total 35 classrooms- 27 smart classrooms and 9 class rooms equipped with PA systems and projectors.
- ⌘ Manages Security system through CCTV Cameras installed at all prime locations of the University including class rooms, Library and Seminar/Conference Halls. Computerized Gate Pass has also been installed at university gate to further enhance the security.

### 9.2. CENTRAL LIBRARY

Central library has a wide collection of books and periodicals

on scientific, technical and allied subjects. It operates on open access system and students are given free access to books and journals that are kept on open shelves. Total carpet area of library is 1779.426 sq. meter. It has a wide collection of Books, E-books, E-journals/Magazines & Newspapers. Total number of books including bound journals and ISI Code are 1,27,828 (One lakh twenty-seven thousand eight hundred and twenty eight).

### Special features :

- ⌘ Equipped with Wi-Fi facility and CCTV surveillance.
- ⌘ Availability of OPAC (Online Public Access Catalogue).
- ⌘ Air-Conditioned E-Library cum Reading Room.
- ⌘ Remote Access (MyLoft Mob & Web App) Facility
- ⌘ Automated issue and return of books.

**9.3. LECTURE HALL COMPLEX**

There are 03 lecture complexes with well-equipped modern facilities;

- ⌘ Pushpagiri Lecture Hall complex has 14 smart classrooms.
- ⌘ Takshila Lecture Hall complex has 14 smart classrooms.
- ⌘ Nalanda Lecture Hall complex has 06 Lecture Halls and 02 drawing halls.

Besides these, there are departmental lecture classes equipped with modern facilities and seminar hall/conference hall for different academic purposes.

### 9.4. MULTIPURPOSE HALL (MPH)

The air-conditioned Multipurpose Hall with a capacity of about 700 audience is used for various purposes like convocation, alumni meet, cultural fest, and indoor games.

### 9.5. UNIVERSITY HEALTH CENTRE

The mission of the MMMUT Health Centre is to provide students with quality primary health care and education about healthy lifestyles. This Health Centre provides a full range of primary care, treatment, and referral services, as well as related health education programs. All programs and services are aimed at maintaining the physical and emotional well-being of university students.

The Health Centre is located in front of the University Cafeteria. This well-equipped facility provides medical treatment and office consultation space for a variety of outpatient services. This Health Centre provides a variety of services as elaborated below:

#### Medical Clinic

The Outpatient/General Medical Clinic is staffed by physicians and nurses. Appointments may be made with a physician or nurse practitioner; walk-in patients are evaluated by nurses. Minor surgical procedures may be performed after evaluation by a physician. Proper dressing is performed afterward. Serious medical conditions and emergencies are given priority in all cases. Emergencies may be referred to the District Hospital/ Medical College or any other area hospitals as warranted.

## Women's Health

The Women's Health care is provided by all-female staff including a gynecologist and a registered nurse staff with training and experience in gynecology.

## Services

Treatment of women's health issues including routine gynecological examination, Pap smears, contraceptive services, emergency contraception, counseling, and routine gynecological treatment.

## Men's Health

A full range of health services for male students is available through this Health Centre.

## Sports Medicine

Medical services in support of the University Athletic Program are provided by an athletic medicine physician-nurse team. The services are offered in Sports Injuries as and when required.

### Services :

The services provided concerning sports injuries include primary care both in and out-of-season, physiotherapy, pre-competition physical examinations, and non-operative orthopedics relating to sports injuries.

To achieve the services mentioned on the previous page, this Health Centre is well equipped with the following human resources and infrastructure:

## Doctors

### Allopathic Doctors :

1. Dr. A.K Pandey, MBBS, PGDMCH, M. MED (Family medicine)
2. Dr. Reena Banka, MBBS, DGO

### Homeopathic Doctor :

1. Dr. Vijay Shankar Singh, BMS

### Staff :

1. Sri Devendra Kumar Pandey, BPT (Physiotherapist)
2. Ms. Prem Tara (Nurse)
3. Ms. Geeta (Nurse)

### Infrastructure/Facilities:

| ⌘ Four Beds for emergency.        | ⌘ An ambulance; round-the-clock availability. |

### 9.6. GUEST HOUSE

The University has a Guest House which has a total of six double-bed well-furnished AC rooms. The Guest House facility is available to the external examiners, special invitees/guests of the University as well as to the parents of the students. Prior booking of these rooms can be made by contacting the officer-In charge guest house. The different type of room for stay in the Guest house will be as follows:

- ⌘ Parents of Students
- ⌘ For others
- ⌘ Official Guests (Members of BOM/Academic Council/Court/Finance Committee/Examination Committee/ Examiners and Experts)
- ⌘ Guest of Staff Members
- ⌘ Alumni

### 9.7. CANTEEN AND COFFEE HOUSE

The University has one air-conditioned Cafeteria and a Coffee Day outlet, which offers a very good canteen facility at an affordable price on the campus. It also has a University Canteen near the boy's hostel which remains operational round the clock.

### 9.8. BANK, POST OFFICE AND ATM

- ⌘ Fully computerized branch of State Bank of India.
- ⌘ Two ATMs and Post-Office facility inside the campus

## 9.9. TRANSPORT FACILITIES

Eight University buses are available for day scholars to commute to the University and for hostellers to the city of Gorakhpur or any other nearby place. Apart from buses, the University has one mini-bus and two staff cars. Also, 02 Battery driven Auto-Rickshaws are available for the hostellers to commute from the University gate to their respective hostels.

## 10 TRAINING AND PLACEMENT CELL

The basic function of the Training & Placement Cell is to search for opportunities for graduate and post-graduate students at the University in various reputed organizations and industries. The Training & Placement Cell is engaged throughout the year in interactions for building up relations among universities and various reputed industries/organizations. The Cell works as a hub for the following services:

- ⌘ Training & Placement of Students.
- ⌘ Student Counselling & Career Guidance.

The Cell organizes the training and campus recruitment programs for students of all disciplines practical training for the students is arranged by the cell in consultation with and on the basis of availability of seats in different industries/organizations/firms/training centers to make the students have strong practical knowledge and to provide them to know the applications of scientific principles industrial training is essential for students as per university norms.

64 Glorious Years

Almost all the eligible and interested students get selected through campus selection. The cell organizes personality development programs and Entrepreneurial development programs to inculcate the habit of learning, development of new skills, team spirit, perseverance, and tolerance for disagreement in them, to make them self-directed, self-motivated, and responsible lifelong learners enrich of vocabulary, pronunciation skills, and extempore, participation in seminars, workshops, mock interviews, and group discussion. The idea behind this is to cater to the needs of the companies that require students to have such personalities who are aware of technological development and who are well equipped to face global challenges have problem-solving capabilities and can communicate across cultures globally. For more information, please visit: [http://www.mmmut.ac.in/View\\_Placed\\_Student\\_Management](http://www.mmmut.ac.in/View_Placed_Student_Management)

## 11 COUNCIL OF STUDENT ACTIVITIES

The University is strongly committed towards transforming its students into holistic professionals through various extracurricular activities and to do so, the University places special emphasis on student participation in various extra/co-curricular activities. To manage and coordinate such extracurricular activities, the University has a Council of Student Activities (CSA). A Professor level faculty member of the University heads the CSA and is assisted by two Vice Chairmen, an OSD and the Physical Training Instructor (PTI). The Council is further subdivided into various Sub Councils/Cells/ Clubs, prominent of which are the Technical Sub Council, Sports Sub Council, Cultural Sub Council, NSS, NCC etc. which keep the campus vibrant throughout the year. The Sub Councils/Cells/ Clubs are managed by a team of Faculty members and student's office bearers. Students participate in various extra/co-curricular activities at the Department and University level and earn marks/grades for ECA Courses. Besides in-house activities attracting participation of students from colleges/institutions located in different parts of the country, the University also encourages and provides limited financial support to its students to participate in national level sports/cultural/technical festivals being organized in premier institutions throughout India.

### Facilities :

The Council of Students Activities (CSA) has a brand-new, state-of-the-art sports stadium named 'Shaheed Bandhu Singh Stadium'. The stadium was inaugurated in 2020 by Hon'ble Chief Minister of Uttar Pradesh Shri Yogi Adityanath and has been named after the famous revolutionary of First War of Indian Independence Late Shri Bandhu Singh. Sprawling into 12 acres of land, the stadium has both outdoor as well as indoor facilities. The stadium has a Football ground, a Hockey ground, a Cricket pitch, a grassy ground for Track & Field activities, two indoor Basketball courts, and a Pavilion with 300 seating capacity. In addition to the stadium, facilities for the following indoor/outdoor sports are also available in the University:

- ✂ **Indoor Sports :** Table Tennis, Badminton, Carrom, Chess, and Billiards.
- ✂ **Outdoor Sports :** Separate concrete courts for Skating and Tennis; Another grassy ground for Football, Kabaddi, & Volleyball.
- ✂ **Gymnasium :** Separate gymnasium for boys and girls are available which are equipped with all modern facilities.

In addition to the stadium, CSA has a fully air-conditioned auditorium 'Multi-Purpose Hall' (MPH) with seating capacity of 800 persons. The MPH has a 40x30 feet stage, two greenrooms, and a robust PA/audio-visual presentation system. CSA also has a Cultural Ground near the Civil Engineering Department to host open air/outdoor functions.

## 12 HOSTEL FACILITY

The University is residential institution with seven boys' hostels five girls' hostels. The hostels are well furnished with necessary amenities available with in hostel premises. The leased line Internet facility is available for 24x7 hours in every room of each hostel. Students admitted to the University hostels are provided with the necessary furniture. The students are personally responsible for upkeep of the articles issued to them by the warden in sound condition. First year students are provided with three/two-seater rooms as per the availability. Senior students are provided with double and single seated rooms depending upon availability.

- ⌘ **Boys Hostels :** Raman Bhawan, Subhash Bhawan, Visveswaraya Bhawan, Tagore Bhawan, Ambedkar Bhawan, Tilak Bhawan, Ramanujam Bhawan.
- ⌘ **Girls Hostels :** Saraswati Bhawan, Sarojani Bhawan, Kalpna Chawala Bhawan, Kasturaba Bhawan, Savitri Bai Phule Bhawan.

# कुल-गीत

महामना की सुयश शोभा, तकनीकि की यह तपस्थली।  
योग-स्थली गुरु गोरक्ष की, बुद्ध की निर्वाण स्थली।।

दृश्य अनुपम् राप्ती का, मिलती गले रोहिन वलय।  
ज्ञान मार्गी संत कबिरा की, कृति हुयी मनोहर मधुमय।।

ज्ञान और विज्ञान का, मंदिर मनोरम शुभ्र पावन।  
शोध के जिज्ञासु करते, सरस्वती का चरण वंदन।।

मानवता का मंदिर मनोहर, आलोक मय दिव्य सुन्दर।  
गूंजता परिसर हमारा, सकल विद्या का शंख स्वर।।

नवीनता की खोज में, संलग्न यह विद्या सदन।  
सुज्ञान के इस कल्पतरु का, करते हैं हम शत-शत नमन।।
